

"When you wake up in the morning, Pooh," said Piglet at last, 'what's the first thing you say to yourself?'

What's for breakfast?' said Pooh. 'What do you say, Piglet?'

'I say, I wonder what's going to happen exciting today?' said Piglet.

Pooh nodded thoughtfully. 'It's the same thing,' he said."

A. A. Milne, 'The House at Pooh Corner'

With an emphasis on quality, we try to source local produce wherever possible, for example our hand-made Regency sausage come from Newton Abbot and won a Gold in the South West Food Awards in 2012, and our free range eggs are locally sourced too. We make home-made Marmalade and cook all our own locally sourced meats.

Special diets are catered for, using Black Farmer gluten free sausage and Garden Gourmet or Linda McCartney vegetarian products.

When on holiday we think breakfast should be exciting and something to look forward to. We do hope you enjoy breakfast with us, and if there is anything in particular you would like that isn't mentioned overleaf just let us know and we shall see what we can do!
