Award Winning* Evening Meals at The Downs

We are pleased to offer our evening meal which combines good home cooking and top quality locally sourced ingredients. We have worked very hard to identify and build relationships with local businesses and producers who can supply an exceptional quality product. Now we can help you enjoy a real taste of Devon and the West Country.

We offer a fixed price Table d'hôte Menu priced at £21.95 which includes up to 3 courses and coffee. We also have Daily specials which occasionally may incur a small additional charge depending on size and market availability.

To ensure we can bring you the best quality, we ask that dinners are pre-ordered by noon daily (except on the day of arrival). Our intimate residents only restaurant serves from 6.30pm until 7.15pm daily although these timings can be adjusted to suit.

We hope that we can be of assistance, and that you can enjoy fantastic home cooked food with a breath taking view.
